YEARBOOK

# Time to say goodbye...

Dear CEMS Friends,

It has been a real pleasure to have all of you here in UCD Smurfit for the last few months. It is amazing how the time flies in and how quick your time in Smurfit comes to a close. We have really enjoyed having you all here and appreciate all the vim, vigour, and energy that you have brought to bear on the semester and without any doubt making the most of your short stay in UCD. It is astonishing how much can be packed in a semester from company visits, to careers forums in Vienna, to skills seminars, to International food fairs and assorted lunches and dinners, to entrepreneurship workshops with RSM, to trips to Kilkenny and Galway and to antagonising the poor locals in Clare with late night renditions of Lisdoonvarna.

Action packed does not even begin to do it justice. It has been an exceptional term and we wish you all of the best in finishing off your studies. Finally, although all of you are leaving soon to some far flung and not so far flung places we hope that you remember that you will always be welcome back here in Dublin and UCD.

Kind Regards

Andrew Keating
