To Whom It May Concern:

I am pleased to write a letter of support for Francois Leccia as he has positioned himself exceptionally well to advance his academic career. Francois's accomplishments are numerous and his actions have been consistent throughout his successful academic experience here at Central Michigan University. Francois has maintained solid grades while donating countless hours of his time for civic groups and civic projects.

Mr. Leccia has a charming and persuasive personality, which revolves around his excellent oral communication skills. He is a highly organized individual with strong leadership abilities. As a faculty member, I have had the opportunity to observe Mr. Leccia lead his peers in a variety of professional situations. Francois performs well under stress and has a balanced view of life as he has been able to set difficult goals and accomplish them.

Mr. Leccia's competitive spirit is continually exhibited as he wants to be the best at what he does. He is a balanced team player in groups with keen insight in problem solving. Francois's greatest strength is his leadership ability as he is a dynamic catalyst in accomplishing group goals.

I believe Mr. Leccia's patience, persistence and compassionate behavior allow him to work effectively with all types of personalities in an array of environments. I have been teaching at CMU for over 20 years and unquestionably Francois is one of CMU's best international students I have ever encountered. I highly recommend him to be accepted into any business professional program.

Sincerely,
