3 REASON TO CHOOSE

3 REASON TO CHOOSE **RENAD+ FOR NAD IV**

1

It flushes out all of the drugs that are still in the user's system

2

It restores cells through mitochondria giving the brain a new balance of energy

3

This will curb cravings and withdrawal systems because NAD+ will diminish the artificial "mood-enhancing" receptors made from drug-use

TESTIMONIALS

The video thumbnail features a dark background with various medical and pharmaceutical items: a syringe, a bottle of pills, a glass of green liquid, and scattered pills. The text 'ADDICTION & RECOVERY MASTERCLASS' is prominently displayed in large, white, bold letters. A green play button icon is centered over the word 'RECOVERY'. The background also includes a faint molecular structure on the left and right sides.

Out with Rehab and in with ReNAD [+]. ReNAD+ is combining science, modern medicine and compassion to use NAD+ IV therapy for detoxing off drugs. ReNAD+ therapy isn't just for addicts. We welcome anyone who wants to restore and balance their brain.
