David Hibbitt IR Flight Instructor:

"After progressing smoothly through the course Jean-Michel achieved a well-deserved first-time pass. Through his training he was positive, cheerful, enquiring and proactive. He has great potential as a first officer and will make a good captain in due course."

Laurie Ramage Chief MCC Instructor:

"By the end of the course Jean-Michel was being assessed as above average for assertiveness and team skills, he shows good potential for the future and should make a successful professional pilot"
