SPECIAL RECOMMENDATION

I would like to acknowledge the high quality work and the professional engagement of **Jean Verriere** in analyzing the strategic options for GRANNA sp. z o.o. He is keen to undertake new initiatives, able to present creative ideas and communicate the benefits.

Based on his team's consulting project our company has much better understanding of the prospective client needs, expectations and requirements. Their work will help us enhance the quality of the marketing activities.

Konrad Falkowski

President
GRANNA sp. z o.o.
