Dear Kenny,

I just wanted to let you know that I could have never asked for a better neighbor.

You are a man with much pride, as it shows in your home, your family, and yourself.

Your light, in which you emanate, shines brightly for all to see. A strong pillar amongst many men in this world, as you stand tall with pride, you "set the bar" for many to follow forevermore

I also wanted to "Thank you"
for not only being a desirable
neighbor, but also a man
whom I consider a good friend
to me.

With much love and
sincerity, I wish for you and
your family all the best that 2007
has to offer and a very, very special
Merry Christmas

Sincerely,
your neighbor,
your friend,

Anders Bloom
