To Whom it May Concern:

I highly recommend Laura Arcicollar as a candidate for employment. Laura was employed by Birchman Consulting Group as a Business Intelligence Consultant. Laura was responsible for designing and developing data models and loads including also doing reports in the front end application.

Laura has excellent communication skills. In addition, she is extremely organized, reliable and computer literate. Laura can work independently and is able to follow through to ensure that the job gets done. She is flexible and willing to work on any project that is assigned to her. Laura was quick to volunteer to assist in other areas of company operations, as well.

Laura would be a tremendous asset for your company and has my highest recommendation. If you have any further questions with regard to her background or qualifications, please do not hesitate to call me.

Sincerely,

Roberto San Esteban Santillana  
Project Manager  
Birchman Consulting Group
