App Task Manager  
for BlackBerry® Smartphones

Hello laurent

Want to know what apps are running on your BlackBerry® Smartphone? We have just launched a brand new free application: **App Task Manager!** This handy application shows you **which apps are running, how much memory they are using** and more. Even the apps running in the background are shown in App Task Manager!

**App Task Manager for BlackBerry® Smartphones**

**App Task Manager Features:**

- **Lists** all applications that are running
- **Check** information like name, version, vendor and more.
- **Control** how much space each of your apps takes up in your device.
- **Know** exactly what is running on your phone.
- **Switch** to a running app to close it with just one click

Know what's going on inside your device, get App Task Manager today for only \$0.99!

**App Task Manager**  
Get it at BlackBerry App World.

App Task Manager is compatible with all BlackBerry® devices running OS 6.0 or higher.
