It is my pleasure to recommend Lea Stenger, as she would be a valuable addition to any company.

I worked with Lea for about a year and during this time she grew into a very valuable part of the Front Office Team. She quickly learned the front office operations and excelled at it. Her greatest strengths are her friendliness and willingness to help.

Lea is pleasant with guests and has received numerous compliments about her service from guest comment cards and letters. She is punctual, highly intelligent and even though English is not her first language she communicated excellently. She always follows up with guests and management in a timely manner.

In general, Lea is an outstanding young woman with a bright future in any company. It has sincerely been a pleasure working with her and getting to know her.

If I can be of any future assistance, or further information is needed, please do not hesitate to contact me

Sincerely,

Danny Freestone
