Subject: Letter of Recommendation for Miss Lucie Forrat

Dear Sir or Madame,

I am writing in response to your request for a letter of recommendation for Miss Lucie Forrat. I had the pleasure of having Miss Forrat in my Introduction to Finance course during 2009.

I believe you will find her extremely motivated, responsible, and a strong team player. During her coursework with me, her comprehension of basic financial principals was excellent and she successfully applied these principals to real life business situations. Overall, she worked extremely hard during the class and enthusiastically participated in classroom discussions. Furthermore, I found Miss Forrat to have a real passion to learn.

I think you will also find Miss Forrat exemplary English communication skills (written,, verbal and reading comprehension). As an American professor living in France, I found her English skills to be superior to those of other students studying in a foreign language. Furthermore, I found Miss Forrat very creative and innovative in her approach to learning, which resulted in a very enriching experience for me and other students.

On the interpersonal side, Miss Forrat gets along extremely well with the CEFAM professors and students and is highly respected as a person.

Naturally, I wish her success in her future. In closing, I can unreservedly recommend Miss Forrat as an excellent academic student and internship candidate. If you would like further elaboration, please do not hesitate to contact me.

Sincerely,

Mrs. Chris Zanda
