The Most Weight Loss Friendly Foods on The Planet

leafy green: Leafy greens include kale, spinach, collards, swiss chards and a few others.
They have several properties that make them perfect for a weight loss diet.
They are low in both calories and carbohydrates, but loaded with fiber.
Eating leafy greens is a great way to increase the volume of your meals, without increasing the calories. Numerous studies show that meals and diets with a low energy density make people eat fewer calories overall

Health at 40 years old?

Forty is a good time to take a deep breath, and, although you have a lot of other things out there, do a little introspection and say, 'OK, there's some things I need to do to make sure I stay healthy, Whether people have demanding jobs, aging parents, growing children or all of the above, it's easy to put health aside. But 40 is the time to evaluate your wellbeing, and to plan for the long-run.

Love

The old saying that life begins at 40 seems to be true ... so far as women and sex are concerned The study of more than 600 women, concluded that love-making depen-ded on a range of factors including confidence and the strength of the relation

It found that older women have much higher selfesteem and feel more con-fortable with their partner.

Fashion

How fashion can boost mood? The movie reveals that the for women attach emotions to clothes. They use the ones that make them feel good as tools to boost their

They use clothes to improve or mask emotion. It would give them the appearance of being bright and airy,even if that is not how they actually feel.

Friendship

Having close female friendships provides women with a sense of understanding, compassionand appreciation. Such friendships give women an outlet to share their problems, thoughts, feelings and triumphs with those they feel a close bond

Female friends can act as a shield when things go wrong and are there to celebrate when their friends succeed.

Review

If Sex and the City is a hit, it will be partly because it's an enjoyable and somewhat true depiction of female friendship. But grown women will also go to see it because, finally, someone made a movie
