“ Si j'en avais la nécessité j'engagerais Rémi sur le champ! Un vrai pro, gardant toujours son calme et ne perdant jamais le fil dans d'interminables réunions en anglais. D'avoir travaillé en agence de pub il a acquis un jugement créatif très sûr. De plus c'est un très chouette mec.

Gavin Watt

Strategic planning and copywriting (in English)

“ I was very fortunate to collaborate with Rémi on a EU Environment project while he was at Tipik Communication Agency. It was an excellent experience all round. He is strategically talented, tastefully creative and very organised. The project (communication toolkit, 28 countries) went smoothly and was delivered on time, an above all we had a happy client. Rémi is a pleasure to work, and I recommend him wholeheartedly. **less**

“ Remi was of a terrific help in building from scratch a winning team within Grey to pitch for the European Commission communication accounts. He quickly demonstrated a real passion and a great efficiency to successfully answer EC's calls for tender contributing to the win of several EC accounts as off year 1. Remi has a 'entrepreneurship' mindset which would create value for any employer. **less**
