October 22, 2016

*Salesforce.com Certified professionals are required to actively maintain their certifications by successfully completing incremental exams focused on new product functionality. Salesforce Certified Professionals are able to add their credential(s) to their LinkedIn profile per the "Add to profile" link above. Misrepresentation of a Salesforce Certification will result in disciplinary action, up to and including removal from the Salesforce Certification program. For additional information, click [here](#).*

These are credentials valid as of August 13, 2017.
